Hello Mike,

we now would like to install some target-greens on our Driving Range. Could you please send us an offer for two of those greens:

<image007.jpg>

What do you recommend, which is the best combination of colours and what dimension is optimal for distances between 80 and 150 meters?

Bradley is in CC, so if there are some questions, just let us know.

Nice regards Michael

Mit freundlichen Grüßen

Michael Raggl
